

H O P E R I S I N G

Hope Rising is seeking a part-time Worship Pastor to join our ministry team! Our vision is “to know God and make Him know” and we believe that worship plays a vital role in how we integrate the vision into the life of the congregation. We have an average worship attendance of 140 people with a casual atmosphere. Our congregation enjoys celebratory music that includes both contemporary and traditional selections.

We are seeking an individual devoted to Jesus Christ who is passionate and gifted in leading our church in its music ministries. This person will report to and collaborate with the Lead Pastor for the development and promotion of the music worship teams of the church. He/She will be responsible for planning, developing, and implementing this ministry. He/She will play a part in developing the team member’s God-given talents as we present the Gospel in an effective manner.

Typical weekly tasks would include but not limited to the following:

- Collaborate with the Lead Pastor to ensure worship and sermon series are planned and executed with excellence
- Lead the worship ministry team through the preparation, planning, brainstorming, directing, and overseeing the ministry teams involved in the weekly Sunday gatherings.
- Build setlist rotations, prepare media in ProPresenter, update lighting scenes, & misc. details that creates a worship service that glorifies God and engages His people
- Work with Lead Pastor for liturgical/seasonal services planning and preparation

Personal and Job-Related Qualifications:

- Able to share testimony of being a committed follower of Jesus Christ.
- Affirm and hold to the teachings, beliefs, and lifestyle commitments of The Wesleyan Church, as outlined in the *Wesleyan Book of Discipline*
- Possess temperament and interpersonal skills to relate and serve effectively within a multi-generational congregation setting
- Exhibit evidence of Christian character and servant leadership and give evidence of a strong work ethic and personal integrity
- Musical ability to lead vocally and instrumentally
- Familiar with worship equipment, technology, and software
- Ability to lead both contemporary and traditional songs
